Re: Enda Charles v. Flintlock Construction Services, LLC

Docket No. 1:21-cv-10685

Dear Judge Cave:

Today, this firm was selected to substitute into the case to represent the Defendants. The docket calls for a report on the Rule 26(f) meeting and the filing of a proposed case management order by April 14, 2022, as well as conference on April 21, 2022. Since we still have to collect signatures on the substitution of attorney before we can take any of the steps needed to fulfill these obligations, we ask for a one-weeks adjournment of the requested filings and conference. Plaintiff's attorney consents to this request.

Sincerely,
LYDECKER
